Senior Rides
and More

Our Mission

Senior Rides and More's mission is to promote senior independent living, health, and safety by providing free transportation and other services. Because transportation is such a vital component of independent living and because over 90% of requests for service are for free transportation, our program has focused more and more on this area of service. Volunteers, using their own cars and gasoline, take seniors to doctors and clinics, to pick up prescriptions, to go grocery shopping or to food banks and to accomplish other transportation-dependent needs. Senior Rides and More is the only provider offering free senior transportation in our 71 zip-code areas serving Houston/Harris County, Fort Bend, Katy, and northwest Houston (including Tomball and Magnolia).

"Thank you for everything! I appreciate all that ALL of you have done for me. Y'all are an awesome group of wonderful people. I have to let you know just how much I feel about you, and it is...LOVE!!"

—Althea T.

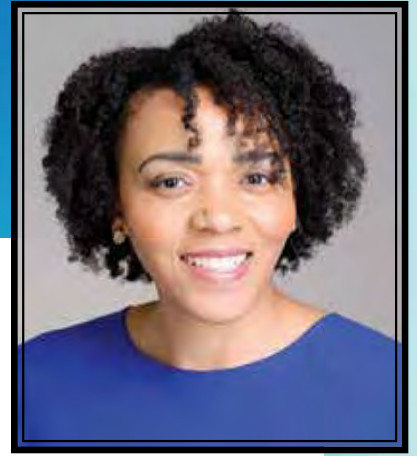

"I want to thank the entire Senior Rides team for keeping in touch with us to find out how we are doing and for providing services. Believe me, without Senior Rides' help, seniors like us would face lots of problems for rides going to doctors and other services provided by your organization. Thank you to your entire team for making our life easy for all seniors like us!"

—Mr. and Mrs. A

President's Message

Dear Friends:

As Board President of Senior Rides & More, I am honored to share that 2025 has been a year of continued growth, meaningful impact, and steadfast commitment to the seniors we are privileged to serve. Each day, we see how reliable transportation and compassionate support help older adults maintain their dignity, independence, and quality of life.

This year, we responded to a record number of service calls, providing transportation for medical appointments, dialysis treatments, cancer care, grocery shopping, pharmacy pickups, and other essential needs. While access to life-saving care remains a top priority, we also know that wellness includes the everyday moments that bring comfort and connection—getting a haircut, visiting the store, or simply staying engaged with the community. These moments matter, and we are proud to help make them possible.

We also recognize the financial challenges many seniors face, especially those living on fixed incomes. Rising costs for food, medication, and basic necessities often force difficult choices no one should have to make. That is why Senior Rides & More remains committed to increasing direct support to meet urgent needs and provide peace of mind to those we serve.

Our organization continues to grow in strength and leadership. We have expanded our Board of Directors, maintained strong staffing levels, and stayed focused on building the capacity needed to meet increasing demand. With that growth comes an even greater responsibility to secure resources, strengthen partnerships, and welcome more volunteers into this mission.

We are deeply grateful for the continued support of foundations, faith communities, civic partners, and generous individuals who believe in our work. Because of you, seniors throughout our community are able to age with greater independence and confidence.

As we look ahead, our mission remains clear: to serve more seniors, remove barriers, and ensure that no one is left behind because they lack transportation or support. We invite you to continue walking alongside us through your prayers, advocacy, volunteerism, and generosity.

Thank you for believing in the importance of caring for our seniors. Together, we are making a lasting difference.

In 2025, Senior Rides and More:

- Served 1,447 homebound seniors who received free transportation
- 100+ Care Receivers received gift bags donated by St. Martin's Episcopal Church
- 60+ Care Receivers in need were gifted groceries ordered and delivered directly to their home and/or \$50 grocery gift cards to use when they shop

All services were provided at NO COST to care receivers:

- Over 1,400 seniors were able to benefit from our transportation program
- We provided 11,000 transportation events
- Our volunteers donated more than 2,878 hours and drove 32,972 miles
- Our Special Transportation Program accounted for 4,296 additional hours and 69,213 additional miles
- In 2025, we received a record number of applications for service and recorded the most trips in our 32-year history.

Seniors in 71 ZIP codes were assisted. No other nonprofit in Houston provided free senior transportation in the ZIP codes we serve.

Accomplishments and Highlights in 2025

Values Statements. We always maintain that our two most important values should be 1) that all services would be performed *at no cost to care receivers*; and 2) that volunteers will always be the primary means of assisting care receivers.

Sharing Knowledge. Our Executive Director attends networking events and speaks to congregations and community organizations to share our mission. Spreading the word about our program is important so that seniors in the community can learn about Senior Rides and More and our services.

Alternative Transportation. We supplemented the work of our wonderful volunteers with our Special Transportation Program, utilizing Uber and Lyft when a volunteer was not available. Using Lyft is less costly than using a taxi service, which allows us to stretch our transportation funds. Thanks to our program with Lyft and Uber, our transportation services are never interrupted and 100% of the requests are fulfilled.

Expanding Our Community. Senior Rides is always available to collaborate with other nonprofits to better assist the senior community, especially regarding senior transportation and senior needs. We are also grateful for the collaboration and guidance we receive from our funders such as Tomball Regional Health Authority, St. Martin's Episcopal Church, and The George Foundation.

Getting the Word Out. We publish and mail newsletters in print and and post them on our website, keeping volunteers, supporters, and donors aware of our programs. We are grateful to our supporting Congregations and funders that promote our program in their own newsletters, thereby bringing us new volunteers and care receivers.

You can also find us on Social Media: **FACEBOOK:** Facebook.com/SeniorRidesandMore; **BLUESKY:** @seniorridesandmore.bsky.social; **INSTAGRAM:** SeniorRidesHouston, and "X": @SRAMHouston.

Better Business Bureau Nonprofit Award of Excellence. Senior Rides and More has been recognized six years in a row as an organization worthy of the BBB Nonprofit Award of Excellence and we are honored to be recognized for the work we do in the Houston/ Fort Bend communities.

Gift Cards. Thanks to grants and generous donors, we provided grocery store gift cards to more than 60 care receivers in need throughout the year, and again during the holiday season.

Meeting the Need for Senior Transportation

Growing Need: By 2030, nearly 20% of Americans (about 72 million people) will be age 65 or older. As former Census Bureau Director Louis Kincannon noted, the aging population, particularly the baby boomer generation, will have significant social and economic effects on both individuals and society.

Local and National Context:

- More than 2.3 million people live within the City of Houston.
- Harris County is the third most populous county in the United States, with more than 5.5 million residents.
- A 2010 American Community Survey estimated that, in Harris County, more than twice as many women as men age 65 and older live alone.
- In 2020, older adults represented 55.8 million people, or 16.8% of the total U.S. population.
- Key Challenges Affecting Seniors:
- Long-term care and supportive services are costly. In Harris County, the average monthly cost of care in a nursing facility is about \$3,500 and is often much higher.
- Transportation to life-sustaining services remains one of the top five service priorities in Harris County.
- Many seniors also face housing-related challenges, including affordability, home repairs, accessibility modifications, and the need for supportive services.

Why This Matters: The global population is aging at an unprecedented rate. A focus group survey conducted by the Care for Elders organization reflected many of the concerns shared by seniors in our community, including isolation, the need for information and referrals, fall prevention, and reliable transportation.

SENIOR RIDES AND MORE remains committed to our mission of offering free transportation to those qualified to receive our services in the Houston/Fort Bend areas we serve.

What We Do

Founded in 1994, Senior Rides and More provides free transportation for ambulatory seniors aged 65 and older to medical appointments, the pharmacy, and grocery stores.

- Doctor visits
- Physical Therapy
- Dialysis
- Chemotherapy
- Pharmacy for prescriptions
- Grocery shopping
- Food pantries
- Haircut and Nail Salons (grooming)
- General errands

Our Volunteers

Senior Rides and More volunteers are the heart and soul of our organization.

How Volunteers Help:

- Provide safe, reliable rides so seniors can access healthcare, groceries, and other essentials
- Offer personal support and companionship—treating each care receiver with dignity and respect

A Story in Photos

The photos on these pages reflect the care, generosity, and commitment our volunteers bring to every ride.

With Gratitude

Our staff and Board join our care receivers in thanking you—our volunteers—from the bottom of our hearts. May God's blessings be with you.

"To all the wonderful volunteers at Senior Rides and More, I would like to thank you for all the things you do for me over the years. I feel like the volunteers and the staff are my friends and family. I truly thank you for sharing your love, your kindness, your time, and patience with me."

—Mamie B.

Our Care Receivers

Senior Rides and More's care receivers are men and women aged 65 and older who want to remain in their own homes but need a little support to do so safely.

- Over 90% are both elderly and disabled
- 80% are women, most of whom live alone with no nearby family
- All have "aged out" of their ability to drive or take public transportation
- Their average income is less than \$1,500 per month

We help seniors "age in place" by providing free, reliable transportation for essential, everyday needs—especially when driving or public transit is no longer an option. Medical appointments are our most requested trips, with grocery shopping and food pantries a close second. We are pleased to provide free transportation to life-sustaining errands and other essential appointments.

Senior Rides and More has been helping seniors "age in place" for 32 years.

Volunteer, Uber, or Lyft

Our Transportation is ALWAYS free

Senior Rides and More is dedicated to making sure that our care receivers get to their appointments, even if a volunteer is not available for our award-winning one-on-one service. We pride ourselves on having caring and thoughtful volunteers, but no nonprofit in Houston has enough volunteers to help 100 percent of the time. Ten years ago, we received grant funding to pay for “alternative transportation” when a volunteer is not available, thereby ensuring that a senior gets to his or her appointment.

Today, our “special transportation” program of using Lyft Concierge and Uber Health has grown by leaps and bounds, and we consider it a very successful part of Senior Rides. Over the years, we have been fortunate to secure additional grant funding that allows us to continue this important service; however, our Lyft and Uber costs have increased annually. Additionally, our use of ride share services has increased to at least 65% of our transportation.

This service has been a blessing to seniors, and we remain committed to funding this program. Without it, many of our seniors would never get to their medical appointments.

Our seniors will NEVER have to pay for our service—our services are always free. Our wonderful volunteers drive out of love and compassion to help their neighbor, and Senior Rides is happy to pay for Lyft and Uber to ensure our seniors get the transportation they need.

Senior Rides and More is grateful to the Foundations, Congregations, and Donors who have given Senior Rides and More the funds to support this very important part of our program.
